

## PAB Criterion 7D / Public Information

### TUITION AND FEES

Tuition and Fees are calculated for one full academic year (Fall and Spring semesters).

- In-State residents: \$9,335
- Out-of-State students: \$30,132

For a complete list of student fees and for a per-credit-hour breakdown of tuition rates, please refer to the University's Tuition and Fees fact sheet: <https://www.utsa.edu/fiscalservices/tuition.html>.

### STUDENT RETENTION AND GRADUATION RATES

Student Retention and Graduation Rate	Percent
Percentage of degree-seeking Master's students who began studies in Fall 2013 and continued into Fall 2014	83% Fulltime 100% Part-time
Percentage of degree-seeking Master's students who began studies in Fall 2012 and continued into Fall 2013	100% Fulltime 80% Part-time
Percentage of Master's students graduating within 4 years, entering class of 2010	100% Fulltime 40% Part-time
Percentage of single-degree Master's students graduating within 4 years, entering class of 2011	63% Fulltime 29% Part-time

## **AICP EXAM PASS RATE**

To become a certified planner, members of the American Planning Association (APA) must meet certain education and experience requirements and pass the American Institute of Certified Planners (AICP) Exam. The pass rate is the percentage of test takers who pass the examination within 3 years of graduating from a master's program.

The Master of Science Degree in Urban and regional Planning was implemented in fall 2010.

## **EMPLOYMENT RATE**

The Employment Rate measures the percentage of MURP graduates who obtain planning positions or elect to pursue an advanced degree within one year of graduation.

Eight graduates in 2015 – 75% in planning positions within one year.

Twelve graduates in 2014 – 83% in planning positions or advanced degree. Two in unknown positions.

Of the 38 graduates as of Spring 2016, 31 are employed in planning or planning-related jobs. Three graduates are pursuing Ph.D. degrees. Planning or planning-related jobs include: Director of Transportation and Infrastructure for Bogota, Columbia, housing development for a national non-profit, planning positions in many city departments of development and planning, environmental planning for the California High Speed Rail project.
